Did you know that on average, a battered woman will leave her abuser 8 times before it is for good? Did you know with these hard economic times that we currently face, domestic violence rates are on the rise? It is not as simple as just leaving the abuser, as some may think. There are many factors that must be taken into consideration.

The Mountain Peace Shelter is a safe haven for women, children and their pets, offering many resources to help women through tough times. It's mission is **“to create a continuum of care from violence prevention to crisis intervention to empowering self-sufficiency for the residents of our mountain communities”**.

A non-profit 501 (c) 3, funded solely by grants, donations (both in-kind & cash) and events such as the Race For Peace, which donates all proceeds to the Mountain Peace Shelter.

What better way can you find to support your local shelter & business's, exercise and mingle with other community members?

Come participate in the Race For Peace. Bring your family and friends! A 5k run/ walk and a 1k kids fun run will be offered. A rolling terrain course offers a sneak peak at trails traditionally not open to the public.

Race begins and ends at the north end of the Village at Conifer Shopping Center (King Sooper Center) just behind Fiesta Jalisco

All ages and abilities are welcome. The course will be a mix between trails and road. The Meyer family has generously opened the historic Meyer Ranch trails for this event.

There will be prizes awarded to the top individuals in each age category for the 5k run/ walk. All 1k Fun Run participants will receive a ribbon for their participation.

You and your friends , club or association can participate in the Team Challenge. The Team Challenge has been designed to foster fun through group participation in the event. There are Team Awards and guaranteed great times. Make the Race For Peace an annual team event.

Furry friends and strollers will not be allowed on the race course during the event. Course runs on private property and is not stroller friendly.
